

## MAY PEACE PREVAIL ON EARTH

Datin Paduka Mother A Mangalam,  
President

14 July 2012

O Supreme Lord  
O Thou all Permeating Light of all lights  
Magnet of all magnets  
The Most Compassionate and the Most Merciful  
The Omniscient, Omnipresent, Omnipotent  
Lord of all Creation  
Help me to realise that we are nothing in Thy magnificent effulgence  
With much humility we seek Thy gracious blessings  
Bless us we beseech Thee

We thank Thee with our heart and soul  
For this human form  
With a head to think  
And a heart to feel  
Give us the strength and wisdom  
To use these precious gifts  
To serve ourselves and our fellow-beings  
To the best of our ability  
For peace, progress and prosperity

Help us to realise  
That Thou art the doer  
In all our successes  
And that we are responsible  
For our failures  
Be Thou our guide forever  
In thought, word and deed  
Let Thy will prevail in all things

Thy will is ever gracious

Help us to face the challenges that beset us

While in our struggles

To be of use to ourselves and to others

Help us to heed Thy call

While we are at our worldly ventures

Help us to forgive and forget the ill

That is done to us

So that peace may prevail

Peace on earth, peace in our hearts

Leading us to the Peace that passeth all understanding

May peace prevail on Earth

Shalom, Salam, Amin, Amen, Om Shanti
