# Ignite the **DIVINE SPARK** for a **THRIVING WORLD**

The **Symphony of Peace Prayers** is a global event that brings together people from different faiths and spiritual traditions to pray with one voice for peace on earth. It is celebrated each year by many thousands of people, on every continent.

In 2015, the Symphony of Peace Prayers was the venue for the launch of the **Fuji Declaration** – a global charter calling on all of us to seek out our innate, sacred consciousness – our divine spark – in order to transform our civilization and create lasting peace on earth:

Following this landmark event, in 2016 the **Soul of WoMen Global Campaign** was initiated – a call to women and men in communities worldwide to activate the ‘divine feminine’ within ourselves and society for a more balanced world that embraces both the feminine and masculine energies.

Last year, the SOPP at Fuji Sanctuary introduced the **Divine Spark IN**, a new, easy-to-practice method for giving expression to the sacred consciousness that resides within each and every human being. The Symphony of Peace Prayers belongs to all of us – all human beings from all walks of life – representing an elevation in global consciousness and a new set of values for living in harmony with all life on earth. Together, let us forge ahead on the path to a flourishing planetary civilization.

## FUJI SANCTUARY – global home of the SOPP

Set in the foothills of magnificent Mount Fuji in Japan, Fuji Sanctuary is the home of Byakko Shinko Kai, an international grassroots organization dedicated to world peace and the elevation of humanity’s consciousness through prayer and other easily accessible spiritual practices. Since the 1980s, Fuji Sanctuary has continually hosted prayer ceremonies and other activities and initiatives for peace, including 14 SOPP ceremonies, each with several thousand participants. Today, Fuji Sanctuary is part of a global network of like-minded groups and organizations around the world.
